COLLEGE UNION ACTIVITIES OVER THE LAST 5 YEARS

- Over the last 2 years everywhere in the world, campuses were under lockdown. NISH students' unions, even during the pandemic hit time, sought out UNIQUE ways of continuing their activities by organizing virtual fests and events.
- In 2018 and then again in 2019, Kerala was hit by unprecedented flooding. The state faced its worst flood in 100 years. The students' union 'Oralia' joined hands with AnboduKochi & Big FM initiative to reach out to those affected by the floods. The Union members worked tirelessly to collect essential commodities and hand them over to collection points at Trivandrum.
- No other campus with such a small and diverse population of students will take on such a variety of activities.
