**15. Multidisciplinary / interdisciplinary**

There is no limit to learning and the multidisciplinary educational approach mentioned in NEP 2020 is a big thought by not limiting education to a particular discipline. NISH had pioneered discussions towards this approach way back in 2017. But, we need a generalized system across the state to implement it. The last scheme revisions for Degree-HI programs were done in 2019 before the NEP was announced. The 2019 scheme made a shift to a credit-based semester system. However, there is no scope for the choice of courses in this scheme. In the next scheme revision, we hope to implement NEP policies and include a Multidisciplinary/interdisciplinary approach to widen our students' perspectives. Our distinct group of DHH students requires such support measures to have an enthusiastic learning environment. Rehabilitation programs run at NISH include Indian Sign Language (ISL) as an interdisciplinary course. The scheme of these programs is regulated by Rehabilitation Council of India norms. The functions of the ASLP department mostly follow a multidisciplinary approach. In academics, apart from core subjects, students get the opportunity to learn various allied subjects which are taught by faculties from other allied and medical disciplines such as psychology, ENT, neurology, statistics, and research. In clinics, an interdisciplinary team approach is used, wherein students and staff of the department interact and work along with other allied professionals such as psychologists, physiotherapists, occupational therapists, and ENT for the assessment and intervention of persons with communication disorders. Students are also encouraged to interact and collaborate with students of other departments for cultural and extracurricular activities and events. Since NISH is an inclusive campus, students of the ASLP department get the opportunity to interact and work along with students with disabilities. The 'Innovation by Youth with Disabilities' (I-YwD) is a year-long free course with a curriculum rendered in a Universal Design format for training youth with disabilities on innovation and entrepreneurship covering thematic areas such as research, problem-solving, and design thinking, prototyping, and

entrepreneurship. BOT students get an opportunity to learn the latest techniques of pottery and gardening as a part of their curriculum course - 'Introduction to occupational therapy and Therapeutic activities under modules of designing and home activities to practice analyzing occupations'. Students are being given hands-on exposure to the practical subjects through Activity analysis, in which students identify their skills to fabricate some mini-projects and learn the concepts of Designing, and home recreational skills to integrate prevocational and vocational values through experiential learning. Students interact with occupational therapy outpatient department clinics and work along with physiotherapists, speech therapists, psychologists, special educators, etc., and OT faculties joining with other multidisciplinary interventions in camp services. NISH has always strived to provide diversity for all curricula and pedagogy with technological innovations in teaching and learning, encouraging logical decision-making and innovation, critical thinking, and creativity.

#### **16.Academic bank of credits (ABC):**

'Academic Bank of Credits' (ABC) is a new initiative in higher education. NISH is yet to start planning on this idea, as our programmes are yet to be revised and conceptualized for a choice based credit system. Since our programmes also include DHH students, it demands special approaches and methods before moving on to a globalized educational environment. The audiology and speech pathology UG programmes till the 2017-20 batch followed the CBCSS scheme while they were affiliated to Kerala University. Students had the choice of attending elective courses for which credit points were given. With the affiliation to KUHS in 2018, the curriculum does not follow the CBCSS scheme and thus the curriculum does not offer credit-based points for the courses. However, students are encouraged to attend online courses (Coursera MOOC), and research methods training via the 'CITI' online courses and the same are considered for their IA marks. During the pandemic, the BOT students had taken their courses in online mode through Google Meet. The students were also prepared for online exams in 2021. The BOT faculties framed a pattern of mock online exam guidelines to train students to take actual internal assessments. Faculties are trained in "Auto proctor" application for online examinations.

#### **17.Skill development:**

NISH, in collaboration with the Additional Skill Acquisition Program (ASAP), conducted three skill development programs exclusively for deaf and hard of hearing students, the first of its

kind in the country. The skill courses namely Jewellery Designer CAD, Animator, and Assistant Fashion Designer, were delivered by the ASAP team with the support of the DHI department teachers to make the courses accessible. Training, internship, and placement support were also provided to the students. The institute, in collaboration with the Kerala Academy for Skills Excellence, has taken initiatives to plan and offer a skill development program for adults living with neurodevelopmental disorders (NDD) by training service providers approved by the National Skill Development Corporation which includes internship and placement. Innovation and Entrepreneurship Development Cell (IEDC) was established at NISH associating with a Governmental agency, Kerala Startup Mission, to mentor students to develop innovative skills and entrepreneurship qualities in starting their own business while studying itself. BASLP students collaborated with the Kerala Development and Innovation Strategic Council (KDISC) under the Young Innovation Programme (YIP) to develop an online speech-language start-up called Speechline. ASLP students have been given training on English communicative skills, self defense skills and CPR. During induction programs students are provided training on research writing skills and soft skills. BOT students undergo structured clinical training in the domain areas which are physical medicine rehabilitation , neuro rehab, ortho rehab & mental health to acquire the knowledge base cum practical orientation as a part of their curriculum.

#### **18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

For the deaf and hard-of-hearing students, curricular transactions are done in Indian sign language. The existing syllabus does not have courses focusing on Indian culture. The campus is a diverse one with students from different parts of the country and abroad. Different festivals like Holi, Onam, Diwali, and Christmas are celebrated on the campus. The degree HI courses are specially designed for deaf students. An online course on Indian Sign Language is developed and shared with all using Moodle platform. NISH is in the process of collaborating with the IKS center at the Amritha Institute and ICFOSS to promote research development in the area of speech and hearing.

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

The revised (2019) syllabus of Degree (HI) follows the Credit Based Semester System (CBSS). As per university regulations, the next scheme and syllabus will be outcome-based. To make the staff aware of the objectives of Outcome-Based Education (OBE), the Degree (HI) department is conducting a two-day workshop on OBE for the academic

staff in May 2022. The outcomes of the present scheme of BFA (HI), BCom (HI) and BSc CS (HI) are given below. The BFA (HI) course has three specializations Sculpture, Painting and Applied Art. The scheme and syllabus have been so designed that there is substantial practical content and less theory. The programme is innovative and is expected to create professionals in the fields of Sculpture, Painting and Applied Art. On the successful completion of the BCom(HI) programme, students are expected to gain a thorough basic knowledge of the fundamentals of Commerce and Accounting. The curriculum offers two specializations - Finance and Tax- and practical disclosures which would prepare the student to face the contemporary challenges in business activities. BSc Computer Science(HI) programme aims to prepare the hearing impaired students to become competent professionals and equip them to meet the industrial need with a focus on programming, web development and multimedia. It also aims to develop the skills needed for a career in application development and equip the students to meet the requirements of the software industry. The ASLP department conducted an exercise on the outcomebased evaluation process for the various courses in the UG and PG programs and as part of the same, a survey was conducted to get feedback on the curriculum from various stakeholders, including professionals, alumni and students. The findings of the survey indicated that the University prescribed curriculum partially meets the OBE requirements. The curriculum of the UG and PG programmes has a specific clinical practicum prescribed for each course from the 2nd semester onwards for which the outcomes are evaluated through internal examination and course-specific viva-voce. As an attempt towards OBE, course mapping for the UG and PG programmes was also done. The outcome-based education indicated by the KUHS BOT curriculum meets the requirements in theoretical and practical applications such as code of ethics, practical exposure in various domains of concern, core values and attitudes to become a successful Occupational Therapist.

## **20.Distance education/online education:**

Currently, no distance education programs are being offered in Degree (HI) department. During the pandemic, for the first time, the Degree Admission Competency Exam(DACE) for entry to UG programs in Degree (HI) was conducted online in 2020 and 2021 for deaf students after successfully completing their 12th standard. Classes and internal assessments were also conducted in online mode. NISH developed a course titled "Forms of Business Organisation" for SWAYAM platform in collaboration with the Education Multi-Media Research Centre in Kozhikode. The course provides a basic overview of different forms of business organisations. Students

attending this course will have an idea of various forms of business structures and will equip them with minimum knowledge to start a business on their own. The content of the course is provided in Indian Sign Language and is first of its kind offered on a government-initiated E-learning platform. Online course on Indian Sign Language (ISL) NISH offers a free 6-week online course on Indian Sign Language (ISL). The course is comprised of 10-15 minute videos each week that is delivered through Moodle platform. The course acquaints participants with basic structure of ISL and enables them to understand and communicate in sign language with some efficiency. This course is taught by deaf teachers. Anyone interested in learning ISL can join this basic course and complete it at their pace. No distance education is being offered by the ASLP department. Google classrooms have been actively used since 2012 to impart online classes with notes, videos, and links being uploaded for students to refer to as part of their assignments. During the Covid pandemic lockdown, the department was able to impart all the lectures for the UG and PG students via online mode, including the conduct of internal examinations and vivavoce. Students and staff were actively involved in telerehabilitation for persons with communication disorders without affecting the services even during the pandemic. Telerehabilitation services are being continued to cater to the needs of clientele from various parts of the country and even outside. Students are encouraged to undergo online courses via Coursera, Citi online and MOOC platforms. The PG dissertations and research publications are uploaded to the Dspace repository for access. The clinical conference and seminars are being conducted in a hybrid model to allow participation of students in case of their absence in the Institution.

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

##### Curriculum Planning

All programs follow an academic calendar on the basis of the University academic calendar and departmental academic plan. For RCI-recognised courses, RCI guidelines are also considered. Other documents prepared as part of curriculum planning are semester, monthly, and daily plans for each course, and staff calendar. Clinical schedules for ASLP and BOT courses and timetable. For admissions to different courses are done through the admission committee with the prospectus. The DHI admissions are through an entrance examination and that of ASLP and BOT courses is done through LBS Centre for Science and Technology. Curriculum Delivery The DHI curriculum for deaf students includes more practical courses. Dashboards with attendance, seminar schedules, learningresources, previous year questions, academic calendars, and timetables are maintained for students and staff separately. Google Classroom is used to deliverassignments, quizzes, class

tests, notes, and learning resources. Internal assessments, seminars, and assessments are carried out as per the scheme of examination. Skill/Clinical matrix is maintained for all courses. For ASLP/BOT courses clinical posting schedules for each term are prepared. At the end of the clinical postings, the students take exams and make a group case presentation which contributes to practical internal assessment marks.

#### 1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The academic calendar is prepared for all programs at the beginning of each semester in an academic year based on the academic calendar of the university and the departmental academic plan. For RCI-recognised courses, RCI guidelines are also considered. The internal assessments, semester examinations, co-curricular and curricular activities, holidays and results publication dates are well planned and scheduled in the academic calendar. The revised BSc (CS)(HI) and BCom(HI) courses are giving weightage to attendance for internal assessment. The academic calendar is prepared so that teachers should know all the activities regarding the continuous internal evaluation process and it is also shared with the students at the beginning of the semester. The record of internal assessment is maintained at the department level. The teachers plan the teaching schedule of the assigned subject. The type and schedule of internal evaluation is planned by the program coordinator in consultation with the head of the department. The Head of the department compiles the academic plan submitted and ensures that there is no overlapping of the activities in general and the Continuous Internal Evaluation in particular at both the internal as well as the University level.

## 1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

As the vision and mission of NISH are closely related to Professional Ethics, Gender, Human Values, and Environment and Sustainability, they are highly valued. The curriculum of each program incorporated courses to address these issues. The masters and bachelor programs in audiology and speech-language pathology include courses on Research Methods and Statistics (A101, S101, B.2.4.5) and Speech-Language Pathology and Audiology in Practice (A401, S401, B.3.5.5) through which the students learn the aspect of professional ethics and ethics for conducting research and also the gender and human values. Bachelor of Commerce and BASLP programs incorporated the courses ENS 1332 Environmental studies and B.3.6.3 Environmental audiology respectively, which address the importance of the environment and its sustainability. The course Sociology (Course code 103) is included in the Bachelor of Occupational Therapy program. The institution enriches the curriculum through the participation of staff /students activities conducted by committees like the Institutional Ethical Committee, the Committee against sexual harassment, and the Bhoomithrasena club. The institution conducts a number of outreach programs and screening camps for identifying various communication disorders, as well as disability certificate camps conducted by various

Governmental organizations and NGOs, hearing aid distribution camps, school screening camps, and neonatal screening camps in hospitals.

**2.2 - Catering to Student Diversity**

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The learning levels of students accepted into the various academic programmes are evaluated systematically and methodically in accordance with the guidelines of affiliated universities. Assessment of learning levels of admitted students and identification of advanced and slow learners are done through Continuous Internal Assessment (CIA) Performance in Assignments Involvement and participation in clinics/ Lab Feedback of mentors/ Observation by teachers Periodic internal assessments are carried out for all courses to gauge student learning levels. Written tests, quizzes, group presentations, seminars, activity-based working models, practicals, clinics, logbooks, role plays, participation in workshops, conferences, presenting scientific papers and posters, intercollegiate national and international academic competitions, among other things, are all part of the CIA assessment process.

## 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences All of NISH's educational and research initiatives use student centered methodologies. The instructional strategies used are : Experiential Learning, Evidence Based Learning, Project Based Learning, Peer Tutoring, Seminar, Student-led workshops, Logical reasoning sessions, Computer Lab, ISL videos, News Studio, Practical Work Sessions, Guest Lectures.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

For all of its extracurricular, cocurricular, and curricular activities, NISH uses ICT-enabled tools. In all academic programmes, they play a significant role in the teaching-learning process. All of the classrooms have interactive whiteboards, smart projectors, and desktop computers with internet connectivity. The campus's buildings are all enabled with wifi. The new teachers receive training on the usage of smart boards, ICT resources, such as moodle, google classrooms, MOOCs, and all of the G-suite apps, including jamboard, google slides, google forms, and boards. The whole teaching staff of DHI, BOT, and ASLP uses ICT in the classroom. Both teachers and students have benefited from the use of e-learning in addition to traditional teaching-learning. In teaching and learning activities, video conferencing is also utilised. An integrated library management software automates library operations. The Center for Assistive Technology and Innovation (CATI) at NISH strives to address the accommodation and accessibility needs of students and clients of NISH, as well as the AT needs of people with disabilities (PwD). A comprehensive analysis of the needs of people with disabilities is conducted, and solutions are offered together with loans, training, customization, financing, reusing products, and service/maintenance of AT solutions for people with disabilities (PwD). The NISH IT infrastructure is being developed and updated

to provide technology tools for administration and management in addition to education.

**2.5 - Evaluation Process and Reforms**

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The Kerala University of Health and Allied Sciences and Kerala University are both associated with the programmes that NISH offers. For conducting internal assessment, the institute adheres to rules created at the university level. Transparency of CIE is ensured by the institute. The system of internal assessment is communicated with the students well in advance. The schedule of the internal examination is decided at the beginning of the semester, in the form of academic calendar. The norms and regulations of the individual courses, as well as the significance of internal evaluation marks and its calculating procedures, will be explained to students in the introduction programme. Internal exams are watched over by course instructors while being recorded on CCTV. Students can keep track of their attendance and grades on internal

exams in the shared Google sheet. The signature of every student on the IA marks sheet is acquired before sending to the university, thus ensuring transparency of the internal assessment. If any complaints are made, re-examinations will be held after verification. The internal assessment marksheets are signed by the Principal /head of department. Institute strictly follows the respective university rules in terms of the frequency of internal exams. Students with poor marks and those who could not attend exams due to genuine reasons are permitted to take re-exams within one week of the actual examination.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The institution has a grievance redressal system functioning at three levels i.e.: department, institute, and university. The head of the department, the Academic coordinator, the Class Coordinator, and the course-in-charge look into grievances at the department level. At the institute level, students can report their academic-related grievances to the Internal Academic Monitoring cell. This cell monitors students' academic progress. The Vice Principal, Head of the departments, and academic coordinator constitutes this committee. NISH has constituted the NISH Students' Grievances Redressal Cell (NISH-SGRC) to address concerns and grievances of students. NISH-SGRC will address the issue and try to resolve it within 7 working days from the date of receipt of the grievance. At the University level, if the internal assessment-related grievances are not resolved at the institute level, students can bring the grievances to the attention of the Pro-vice chancellor of the respective university.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The programsyllabidetails both the course outcomes and programme outcomes. What a student would be able to know and be able to do upon completion is stated in the programme outcomes. Program specific outcomes specify the particular outcomes. When a course is completed, the student would have acquired the information, skills, and behaviours that are connected to the material in each of the course's modules. Also, these are discussed by the course instructor at the start of the course. Program goals need to be related to the course objectives. The attainment of the CO and PO is determined and verified by the course instructors, academic coordinator, and department head.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

NISH offers undergraduate degrees in Bachelor of Fine Arts (BFA(HI)), Bachelor of Commerce (B. Com(HI)), and Bachelor of Computer Science (B. Sc. Computer Science (HI)) exclusively for students with hearing impairment, affiliated with Kerala University. The scheme and syllabus of BSc & BCom programs were revised in 2019 and follow the Credit Based Semester System (CBSS). The BFA program does not follow the CBSS system. The objectives of each course are detailed in the syllabus. The professional courses -BASLP, BOT, MSc Audiology, and MSc Speech & Language Pathology follow the Outcome Based Education curriculum. The program and course outcomes are listed in the syllabus and a mapping of the PO and CO has been done.

## 3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Investing in scientific research and innovation are important ways to facilitate sustainable development. NISH has created an

ecosystem for innovation and transfer of knowledge through the activities of various departments. NISH-(IEDC) was established at NISH in January 2019. IEDC organizes entrepreneurship awareness camps and entrepreneurship development programs to help students set up their Startups while studying.

**Innovation Hub for AT Development (IHAT):** The Innovation Hub for Assistive Technology (IHAT) is actively engaged in developing various Assistive Technology (AT) products to improve the quality of life for persons with disabilities. The ongoing projects for 2023-24 include:

- Transfer Device for Patients with Paralysis
- Ergonomic Chair for the Pediatric Population
- SI-LINK Web-Accessible Video Conferencing App
- VOX (Voice of the Xtreme)
- Accessible Plug for the VI
- Adaptive Mouse
- Vibration Alert for HI

**Innovation by Youth with Disabilities' (I-YwD),** is an inclusive innovation project of the Kerala Development and Innovation Strategic Council (K-DISC) for PwDs in Kerala. The long-term goal is to develop and sustain a dynamic ecosystem for youth with disabilities who have a desire to innovate and create a positive impact on society.

The Research and Project Consultancy Center's services has been utilised by numerous governmental organisations.

## 5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

No.

The alumni association at NISH is not registered as of now. It is an informal association of former students of NISH. Two staff coordinators oversee the functioning of the Alumni Association. Annual meetings were organized on the second Saturday of August till 2019. The annual meeting is for half a day. There is an annual and lifetime membership offered to the Alumni. All students who graduate are given free membership for the first year after graduation. The Coordinator and Treasurer of the Alumni Association are staff members nominated by the Executive Director. Two secretaries are selected from the alumni members who attend the annual meeting. The Alumni Association aims to strengthen professional networking and foster mutually beneficial interaction between the Alumni and the present students and between the Alumni and the staff. It provides information about the current activities at NISH. Every year, a committee is elected to oversee the activities for the upcoming year. A separate bank account operated jointly by the Staff Member and Executive Director is maintained to keep the funds. Alumni play key roles in our institution's growth. They are members of the IQAC and give feedback on updating the syllabus, introducing new courses, and revamping the teaching learning process. Alumni members support NISH by acting as resource persons in training for the present batch of students.

Regular interactive sessions with alumni are arranged to motivate the students. Social groups and media pages created improve interactions with and between alumni.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The participative management of the institute is being done through the CORE Operations Group involving the participation of staff and students and is an immediate advisory and strategic support group to oversee the daily operations on campus - academic and non-academic. Minutes of the meetings are prepared and are kept as a record of the decisions. The Student Council Chairperson is invited for the first fifteen minutes of the meeting to present grievances. CoG meets regularly every month. COG is also involved in the planning, development, oversight, and validation of the various institutional policies and is recommended to the Project Board and Governing Council, if necessary for implementation of the same. Under the department heads, various subunits on decentralizing the activities of the institution. Class coordinators for all courses under the academic coordinator and HoD, Clinical coordinators for all clinical units, etc are examples of the same. Regular staff meetings happen in every department along with specific-unit meetings and group meetings. The formation of various other committees that are examples of participative management involved in academic and administrative matters like the Academic Council, IQAC, Anti Ragging Committee, Review Authority of Research Committees, Purchase and Technical Committees Ethics and Excellence Committee etc are done by the COG. The decisions in the meetings are being taken up to the COG meeting to decide further on it.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC at NISH was constituted with the objective to develop a quality system for conscious, consistent, and catalytic programmed action to improve the academic and administrative performance of the Institute and to promote measures for institutional functioning towards quality enhancement through internationalization of quality culture and institutionalization of best practices. As a part of its mandate of developing an all-encompassing quality culture in NISH, the IQAC plays a greater role in congregating the institutional effort for quality.

With this specific aim, IQAC focuses on the quality improvement at NISH. This includes accessibility at NISH. NISH has been the first accessible campus in Kerala. NISH also to encourage research facilities encourages staff to publish papers and books in renowned journal and peer reviewed publications. NISH released four books till now and also constituted award for faculty and students who are more into research publications.

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

##### Curriculum Planning

All programs follow an academic calendar on the basis of the University academic calendar and departmental academic plan. For RCI-recognised courses, RCI guidelines are also considered. Other documents prepared as part of curriculum planning are semester, monthly, and daily plans for each course, and staff calendar. Clinical schedules for ASLP and BOT courses and timetable. For admissions to different courses are done through the admission committee with the prospectus. The DHI admissions are through an entrance examination and that of ASLP and BOT courses is done through LBS Centre for Science and Technology. Curriculum Delivery The DHI curriculum for deaf students includes more practical courses. Dashboards with attendance, seminar schedules, learningresources, previous year questions, academic calendars, and timetables are maintained for students and staff separately. Google Classroom is used to deliverassignments, quizzes, class tests, notes, and learning resources. Internal assessments, seminars, and assessments are carried out as per the scheme of examination. Skill/Clinical matrix is maintained for all courses. For ASLP/BOT courses clinical posting schedules for each term are prepared. At the end of the clinical postings, the students take exams and make a group case presentation which contributes to practical internal assessment marks.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The academic calendar is prepared for all programs at the beginning of each semester in an academic year based on the

academic calendar of the university and the departmental academic plan. For RCI-recognised courses, RCI guidelines are also considered. The internal assessments, semester examinations, co-curricular and curricular activities, holidays and results publication dates are well planned and scheduled in the academic calendar. The revised BSc (CS)(HI) and BCom(HI) courses are giving weightage to attendance for internal assessment. The academic calendar is prepared so that teachers should know all the activities regarding the continuous internal evaluation process and it is also shared with the students at the beginning of the semester. The record of internal assessment is maintained at the department level. The teachers plan the teaching schedule of the assigned subject. The type and schedule of internal evaluation is planned by the program coordinator in consultation with the head of the department. The Head of the department compiles the academic plan submitted and ensures that there is no overlapping of the activities in general and the Continuous Internal Evaluation in particular at both the internal as well as the University level.

### 1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

As the vision and mission of NISH are closely related to Professional Ethics, Gender, Human Values, and Environment and Sustainability, they are highly valued. The curriculum of each program incorporated courses to address these issues. The masters and bachelor programs in audiology and speech-language pathology include courses on Research Methods and Statistics (A101, S101, B.2.4.5) and Speech-Language Pathology and Audiology in Practice (A401, S401, B.3.5.5) through which the students learn the aspect of professional ethics and ethics for conducting research and also the gender and human values. Bachelor of Commerce and BASLP programs incorporated the courses ENS 1332 Environmental studies and B.3.6.3 Environmental audiology respectively, which address the importance of the environment and its sustainability. The course Sociology (Course code 103) is included in the Bachelor of Occupational Therapy program. The institution enriches the curriculum through the participation of staff /students activities conducted by committees like the Institutional Ethical Committee, the Committee against sexual harassment, and the Bhoomithrasena club. The institution conducts a number of outreach programs and screening camps for identifying various communication disorders, as well as disability certificate camps conducted by various Governmental organizations and NGOs, hearing aid distribution camps, school screening camps, and neonatal screening camps in hospitals.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

For all of its extracurricular, cocurricular, and curricular activities, NISH uses ICT-enabled tools. In all academic programmes, they play a significant role in the teaching-learning process. All of the classrooms have interactivewhiteboards, smart projectors, and desktop computers with internet connectivity. The campus's buildings are all enabled with wifi. The new teachers receive training on the usage of smart boards, ICT resources, such as moodle, google classrooms, MOOCs, and all of the G-suite apps, including jamboard, google slides, google forms, and boards. The whole teaching staff of DHI, BOT, and ASLP uses ICT in the classroom. Both teachers and students have benefited from the use of e-learning in addition to traditional teaching-learning. In teaching and learning activities, video conferencing is also utilised. An integrated library management software automates library operations. The Center for Assistive Technology and Innovation (CATI) at NISH strives to address the accommodation and accessibility needs of students and clients of NISH, as well as the AT needs of people with disabilities (PwD). A comprehensive analysis of the needs of people with disabilities is conducted, and solutions are offered together with loans, training, customization, financing, reusing products, and service/maintenance of AT solutions for people with

disabilities (PwD). The NISH IT infrastructure is being developed and updated to provide technology tools for administration and management in addition to education.

**2.5 - Evaluation Process and Reforms**

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The Kerala University of Health and Allied Sciences and Kerala University are both associated with the programmes that NISH offers. For conducting internal assessment, the institute adheres to rules created at the university level. Transparency of CIE is ensured by the institute. The system of internal assessment is communicated with the students well in advance. The schedule of the internal examination is decided at the beginning of the semester, in the form of academic calendar. The norms and regulations of the individual courses, as well as the significance of internal evaluation marks and its calculating procedures, will be explained to students in the introduction programme. Internal exams are watched over by course instructors while being recorded on CCTV. Students can

keep track of their attendance and grades on internal exams in the shared Google sheet. The signature of every student on the IA marks sheet is acquired before sending to the university, thus ensuring transparency of the internal assessment. If any complaints are made, re-examinations will be held after verification. The internal assessment marksheets are signed by the Principal /head of department. Institute strictly follows the respective university rules in terms of the frequency of internal exams. Students with poor marks and those who could not attend exams due to genuine reasons are permitted to take re-exams within one week of the actual examination.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

The institution has a grievance redressal system functioning at three levels i.e.: department, institute, and university. The head of the department, the Academic coordinator, the Class Coordinator, and the course-in-charge look into grievances at the department level. At the institute level, students can report their academic-related grievances to the Internal Academic Monitoring cell. This cell monitors students' academic progress. The Vice Principal, Head of the departments, and academic coordinator constitutes this committee. NISH has constituted the NISH Students' Grievances Redressal Cell (NISH-SGRC) to address concerns and grievances of students. NISH-SGRC will address the issue and try to resolve it within 7 working days from the date of receipt of the grievance. At the University level, if the internal assessment-related grievances are not resolved at the institute level, students can bring the grievances to the attention of the Pro-vice chancellor of the respective university.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The programsyllabidetails both the course outcomes and programme outcomes. What a student would be able to know and be able to do upon completion is stated in the programme outcomes. Program specific outcomes specify the particular outcomes. When a course is completed, the student would have acquired the information, skills, and behaviours that are connected to the material in each of the course's modules. Also, these are discussed by the course instructor at the start of the course. Program goals need to be related to the course objectives. The attainment of the CO and PO is determined and verified by the course instructors, academic coordinator, and department head.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

NISH offers undergraduate degrees in Bachelor of Fine Arts (BFA(HI)), Bachelor of Commerce (B. Com(HI)), and Bachelor of Computer Science (B. Sc. Computer Science (HI)) exclusively for students with hearing impairment, affiliated with Kerala University. The scheme and syllabus of BSc & BCom programs were revised in 2019 and follow the Credit Based Semester System (CBSS). The BFA program does not follow the CBSS system. The objectives of each course are detailed in the syllabus. The professional courses -BASLP, BOT, MSc Audiology, and MSc Speech & Language Pathology follow the Outcome Based Education curriculum. The program and course outcomes are listed in the syllabus and a mapping of the PO and CO has been done.

### 3.2 - Innovation Ecosystem

#### 3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Investing in scientific research and innovation are important ways to facilitate sustainable development. NISH has created an ecosystem for innovation and transfer of knowledge through the activities of various departments. NISH-(IEDC) was established at NISH in January 2019. IEDC organizes entrepreneurship awareness camps and entrepreneurship development programs to help students set up their Startups while studying.

**Innovation Hub for AT Development (IHAT):** The Innovation Hub for Assistive Technology (IHAT) is actively engaged in developing various Assistive Technology (AT) products to improve the quality of life for persons with disabilities. The ongoing projects for 2023-24 include:

- Transfer Device for Patients with Paralysis
- Ergonomic Chair for the Pediatric Population
- SI-LINK Web-Accessible Video Conferencing App
- VOX (Voice of the Xtreme)
- Accessible Plug for the VI
- Adaptive Mouse
- Vibration Alert for HI

**Innovation by Youth with Disabilities' (I-YwD),** is an inclusive innovation project of the Kerala Development and Innovation Strategic Council (K-DISC) for PwDs in Kerala. The long-term goal is to develop and sustain a dynamic ecosystem for youth with disabilities who have a desire to innovate and create a positive impact on society.

The Research and Project Consultancy Center's services has been utilised by numerous governmental organisations.

**5.4 - Alumni Engagement**

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

**No.**

The alumni association at NISH is not registered as of now. It is an informal association of former students of NISH. Two staff coordinators oversee the functioning of the Alumni Association. Annual meetings were organized on the second Saturday of August till 2019. The annual meeting is for half a day. There is an annual and lifetime membership offered to the Alumni. All students who graduate are given free membership for the first year after graduation. The Coordinator and Treasurer of the Alumni Association are staff members nominated by the Executive Director. Two secretaries are selected from the alumni members who attend the annual meeting. The Alumni Association aims to strengthen professional networking and foster mutually beneficial interaction between the Alumni and the present students and between the Alumni and the staff. It provides information about the current activities at NISH. Every year, a committee is elected to oversee the activities for the upcoming year. A separate bank account operated jointly by the Staff Member and Executive Director is maintained to keep the funds. Alumni play key roles in our institution's growth. They are members of the IQAC and give feedback on updating the

syllabus, introducing new courses, and revamping the teaching learning process. Alumni members support NISH by acting as resource persons in training for the present batch of students. Regular interactive sessions with alumni are arranged to motivate the students. Social groups and media pages created improve interactions with and between alumni.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The participative management of the institute is being done through the CORE Operations Group involving the participation of staff and students and is an immediate advisory and strategic support group to oversee the daily operations on campus - academic and non-academic. Minutes of the meetings are prepared and are kept as a record of the decisions. The Student Council Chairperson is invited for the first fifteen minutes of the meeting to present grievances. CoG meets regularly every month. COG is also involved in the planning, development, oversight, and validation of the various institutional policies and is recommended to the Project Board and Governing Council, if necessary for implementation of the same. Under the department heads, various subunits on decentralizing the activities of the institution. Class coordinators for all courses under the academic coordinator and HoD, Clinical coordinators for all clinical units, etc are examples of the same. Regular staff meetings happen in every department along with specific-unit meetings and group meetings. The formation of various other committees that are examples of participative management involved in academic and administrative matters like the Academic Council, IQAC, Anti Ragging Committee, Review Authority of Research Committees, Purchase and Technical Committees Ethics and Excellence Committee etc are done by the COG. The decisions in the meetings are being taken up to the COG meeting to decide further on it.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC at NISH was constituted with the objective to develop a quality system for conscious, consistent, and catalytic programmed action to improve the academic and administrative performance of the Institute and to promote measures for institutional functioning towards quality enhancement through internationalization of quality culture and institutionalization of best practices. As a part of its mandate of developing an all-encompassing quality culture in NISH, the IQAC plays a greater role in congregating the institutional effort for quality.

With this specific aim, IQAC focuses on the quality improvement at NISH. This includes accessibility at NISH. NISH has been the first accessible campus in Kerala. NISH also encourages research facilities encourages staff to publish papers and books in renowned journal and peer reviewed publications. NISH released four books till now and also constituted award for faculty and students who are more into research publications.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and

recorded the incremental improvement in various activities

The institute reviews its teaching learning process, structures and methodologies of operation and learning outcomes at periodic intervals through the IQAC Set up as per the norms. The institute collects regular feedback from students on teaching methodology, content, teaching methodology, subject knowledge, preparation, encouraging attitude, clarifications, opportunities of learning, faculty competencies in handling classes, facilities on the campus etc. This process is administered through Google forms. Feedback collected per semester is discussed with the faculty and head of the department and suggests improvements. Feedback is also collected from other stakeholders- parents and clients.

Reforms facilitated: The Executive Director along with the Head of the Department discusses the student feedback with each faculty in person and suggests clarifications or progress plans if required.

An art integrated studio has been developed for effective transfer of ideas to individuals with disabilities studying in the institute as well as for the general public in the pandemic period.

Daily broadcast of news in Indian Sign Language by the institute promotes general knowledge, daily news and to know day to day news.

## INSTITUTIONAL VALUES AND BEST PRACTICES

### 7.1 - Institutional Values and Social Responsibilities

#### 7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Gender equity is ensured and evident in all the curricular and cocurricular activities held in NISH. Admission: There is no gender-wise discrimination

Admission: There is no gender-wise discrimination existing in admitting students to various programmes, only merit is looked into. In fact, the female population is above average on campus with regard to staff as well as students owing to the industry being service oriented. The institution ensures opportunities for women in education as well as in employment.

Organs for Gender Protection: The safety and security of the women on campus are ensured with the functioning of committees like:

1. Committee to Address Sexual Harassment -ICC
2. Redressal Forum for ensuring Non-discrimination and Accessibility,
3. Gender Justice Forum (GJF),
4. Women's Cell,
5. Students' Council,
6. Anti-ragging Cell, etc.
7. Counselling wing, Department of Psychology

Safety and security: Other than the committees mentioned above, various activities are conducted on campus to empower the female population. Moreover, 24x7 CCTV surveillance and

security personnel service on campus are available.

**7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management**

Controls waste through reuse, reduce and recycle for cleanliness and eco-balance following the guidelines prescribed by the Green Protocol Compliance Committee at NISH in accordance with the Environmental (Protection) Act 1986, to ensure the safety of human health and the environment. Ample effort is taken to maintain paperless offices through office automation and consistently tries to reduce the use of plastic carry bags and covers

The solid waste consists of materials like dried leaves, plantclippings, food, paper, and plastic waste. The food and plastic waste from the campus are collected separately using suitably labelled bins from various locations. Solid waste such as plastic, paper, cloth, fibre, wood, etc., is segregated and removed by a government-accredited waste management agency. The

biodegradable waste is used in the biogas plant for producing cooking gas for the canteen kitchen (while it was functioning).

The liquid waste is managed through septic tanks and the corporation drainage system. Biomedical waste such as disposable Personal Protective Equipment (PPE) kits, disposable gloves, masks and gowns, and used sanitary napkins are collected in lidded containers and burned in incinerators. The E-waste is managed in collaboration with Clean Kerala company, an accredited agency of the Government of Kerala.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

The Students Union, NISH, commemorates and celebrates all national and international days/events of importance to instil the essence of the same amongst the students and staff to inspire them to feel committed towards the purpose of it. International Days: NISH took serious and enthusiastic efforts to commemorate special days like International Women's Day, World Environment Day, International Week of the Deaf (IWD) and International Day of Sign Languages, World Autism Awareness Month, International Disability Week, International Yoga Day, etc. National Days: Republic Day, Independence Day, Gandhi Jayanti, Constitution Day, etc., were observed by conducting flag hoisting ceremonies and programmes like the National Anthem in Indian Sign Language competitions, etc., on campus with breakfast provided to the attendees of the ceremony. Festivals: Festivals like Onam, Christmas, Ramzan, etc., were all celebrated in NISH with the participation of all teachers, students, and non-teaching staff along with guests of honour appropriate to each event. The programmes were integrated with the inclusion of deaf students as well as hearing students. Onam, the national festival of Kerala, is celebrated secularly in a grand manner. Various traditional Onam-related games and cultural activities were also held adding colour to the event.
